NEW! IDEA Assessment Submissions Due December 15 by 5:00 p.m., EST

Please note that the SY 2010-11 IDEA 618 Part B Assessment data collection (Table 6) is due December 15, 2011 at 5:00 p.m., EST. This due date now aligns with the date of submission for the CSPR data in EDFacts.

If your State was approved to submit these data through EDFacts only, these data should be submitted through the following EDFacts file specifications:

- N/X003 – Children with Disabilities (IDEA) Academic Achievement
- N/X004 – Children with Disabilities (IDEA) Not Participating in Assessments
- N/X081 – Assessment Participation
- N/X093 – Children with Disabilities (IDEA) Participation in Assessments
- N/X146 – Children with Disabilities (IDEA) Alternate Assessment Caps

Please be in contact with your IDEA Part B Data Managers about the submission of these data. The Data Accountability Center (DAC) has made some resources available to both Part B Data Managers and EDFacts Coordinators.

The 2010-11 Part B Assessment DTS for Table 6 is available for download at: https://www.ideadata.org/docs/AssessmentPtB-2010.xls.

The 2010-11 General Instructions and data collection form for Table 6 are available at: https://www.ideadata.org/docs/AssessmentPtB-2010.doc.

If you were unable to attend the Webinar that was held in October, titled "Gearing up for the November/December Submissions," the slides used are available at: https://www.ideadata.org/DOCS/PtBdatasubmissions2011.ppt.

Reminder: SY 2010-11 CSPR Must be Certified by 5:00 p.m., EST on Friday, December 16, 2011

The SY 2010-11 Consolidated State Performance Report is now open in ESS. SEA staff with active user accounts can now login and provide data manually, and all of the files required to pre-fill your state's CSPR are currently enabled in ESS. The certification deadline for CSPR is 5:00 p.m., EST on Friday, December 16, 2011. All files to pre-fill CSPR must be submitted by 5:00 p.m., EST the previous day, Thursday, December 15, 2011. Large files (especially SCH level) slow the average file processing time considerably. Please take that into account and submit your files as soon as you are able.

Note: Due to the deadline being shared between CSPR and IDEA, the system will be shut down at 5:00 p.m., EST on Thursday, December 15 to accommodate the IDEA data load. Files submitted prior to 5:00 p.m. will be allowed to process.

NEW! SY 2010-11 Graduation Rate Data

Graduation rate data for SY 2010-11 are due into ED*Facts* by January 31, 2012. States are required to report the regulatory cohort graduation rate using files N/X150 and N/X151 *unless* the state has received an official extension from the Office of Elementary and Secondary Education for reporting the regulatory rate. The few states who have received an extension may continue to report their graduation rate using file N/X041, and those states should contact PSC for a copy of the N/X041 file specification.   States who are approved to report extended-year cohort graduation rates for SY 2010-11 may use files N/X150 and N/X151 to report both a four-year cohort rate and a five-year cohort rate. States who are approved to report a six-year cohort rate for SY 2010-11 should contact PSC for specific instructions on how to report six-year rates for SY 2010-11.

NEW! Clarifying Revisions Made to N/X043 and N/X118

Updated SY 2010-2011 file specifications for N/X043 "Homeless Served" and N/X118 "Homeless Enrolled" have been posted on the ED*Facts* website. These updated file specifications do not change the reporting requirements for these files. These revisions were made only to clarify the use of the age/grade permitted values in both file specs.

NEW! PSC Monthly Online Meetings with States Will Resume in January

After a one month break to allow for the large number of file submissions due in December, the PSC Online Meetings with States will resume in January. Continuing with the CSPR theme from the fall, January's meeting will include general PSC information, but will also contain specific policy information that states will find useful for the SY 2010-11 CSPR.

The January meeting will be held at 3:00 p.m., EST on Wednesday, January 11, 2012. The Office of Migrant Education will discuss the data for Section 2.3, Education of Migrant CHILDREN (TITLE I, PART C) of the SY 2010-11 CSPR

In order to get more policy content delivered prior to the deadline of Part II, PSC will host an additional Webinar for ED at 3:00 p.m., EST on Wednesday, January 25, 2012. This Webinar will deal exclusively with CSPR content and the focus will be Section 2.4, Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At Risk (Title I, Part D, Subparts 1 and 2).

Links to register for both January Webinars will be available in future Support Updates.

*NEW!   ED*Facts *Metadata Repository Webinar in January*

We will be conducting a special Webinar on January 18, 2012 at 2:00 p.m., EST to present the complete ED*Facts* Metadata Repository logical data model and the next steps for its development. Handouts will be provided via email to ED*Facts* Coordinators before the webinar so you can read the data model while we're reviewing it. State technical and program office representatives are also welcome.

Reminder: Updated LEAD018 with CSPR Filter Is Now Available

The reports team has updated the State Submission Status Timeliness and Completeness Report (LEAD018) to include a filter for CSPR Part I and CSPR Part II files. This filter enables you to track your file submission progress for CSPR files. On the LEAD018 prompt page, you are now required to select a file group. Selecting All Files as the file group will return the same results as running LEAD018 prior to this change. If you select the CSPR Part I Files group, then cells for file/level combinations not required for CSPR Part 1 will have a grey background. The timeliness and completeness gauge for the CSPR Part I Files group will only count CSPR Part 1 files. Having 100% complete for CSPR Part I File group means that you have completed submitting all of your CSPR Part I files. Currently N132, which is not prefilled into CSPR but is used in CSPR Part I, will have a grey background as a CSPR Part 1 File group. We plan to make N132 part of the CSPR Part 1 file group in the future. LEAD018 can be found in the Submission Status Reports folder.

Note: CSPR016a and CSPR016b are retired and will no longer be available for use.

Support Issues, Solutions, and Metrics

The following is provided to give you some insight into issues being handled by your Partner Support Center (PSC):

New Issues Affecting Multiple SEAs

1. ESS – Several states have reported receiving a server error when clicking on the "Detail" link on their SY 2010-11 Submission Error Report for file N/X081. Status: This issue has been escalated to our technical team for a resolution.

2. CSPR – A state contacted PSC reporting the total count in CSPR section 1.9.2.1 is incorrect. <u>Status:</u> PSC has confirmed this issue and escalated this to our technical team for a resolution. The "Total" for section 1.9.2.1 does not include the count from "Age 3 through 5 not Kindergarten." This appears to be a system wide issue.

New or updated knowledgebase articles this week:

- Solution 172511 – Incorrect Percentage Calculations in OSEP Exiting Reports

Average Time to Resolution (excluding weekends, 6 week rolling average)

Tickets requiring escalation: 74.224 days
Tickets not requiring escalation: 1.79 days
Response time to e-mail inquiries: 0.07 hours

PSC
